[illegible] Tax Arrears

The above parties [illegible] and the following [illegible] tax arrears [illegible] as security liens on the title to the parcels as indicated in the reference lines above.

Alfred Returneau	
January 19,1920	$22.50

Interest December 31,1952	[illegible].37

Albert Returneau	
March 15,1[illegible]20	$212.50
Interest to December 31,1952	454.90
	667.40

Alfred Returneau now owns both parcels and desires to clear the titles as he is now disposing of the property and has tendered the sum of one hundred dollars ($100.00) through the office of the local municipality.

Titles to the above parcels are subject to a prior mortgage under which there is owing a total of one thousand five hundred and forty-seven dollars ($1,547.00) including accrued interest. The two quarters have been sold for the sum of five thousand dollars ($5,[illegible]) which the Secretary-Treasurer advises is a fair price as the land is rough and rocky. The soil be ng wooded grey and not very fertile. The assessed value for taxation purposes of the two quarters is one thousand seven hundred dollars ($1,7[illegible]).

The debtor has no assets other than the sum of seven hundred and sixty-four dollars and fifteen cents ($764.[illegible]) in the bank, which includes the down payment on the sale of his home, and the balance owing under the agreement. The debtor is 67 years of age and unable to continue active farming and in order to move a place to live has purchased two acres adjacent to the Town of St. Paul for the sum of one thousand one hundred dollars ($1,1[illegible].00), half of which is still owing. The residence on this property is an old house which is in need of immediate repairs which will be

Re [illegible].

The debtor made application for an adjustment of his liabilities in 1/2 under the Farmers Creditors Arrangement Act and the claims set out above as at that time set at fifty dollars (.) payable without interest over a period of five years. He was unable to meet his liabilities including the mortgage mentioned above, which was reduced to the sum of [illegible] dollars bearing interest at the rate of 5% per annum, with the result that he is now faced with the necessity of arranging settlement again.

It is evident that the debtor's circumstances have improved very little since 19[illegible] and it is my opinion that the offer should be accepted. It is therefore, my recommendation that the account be so adjusted that upon application of the sum of one hundred dollars ( ) the above indebtedness will be paid.

The [illegible] fund remains at present in the principal amount of one hundred and forty-five dollars and seventy-three cents ( ) [illegible] together with accrued interest.

Yours very truly,
